The NASTT South Central Chapter is pleased to announce the 3rd Annual 2018 Texas/Oklahoma Trenchless Technology Conference September 25 - 26, 2018: Oklahoma State University (OSU) Stillwater, OK!

Join us for two full days of trenchless presentations and networking along with breakfast, lunch and refreshment breaks! Registration includes a useful and informative technical seminar program and mini trade-show product exhibit area. The 2018 Texas/Oklahoma Trenchless Technology Conference offers all the benefits of a national conference at the local level.

The NASTT South Central Chapter provides opportunities to advance the science and practice of Trenchless Technology in Texas and Oklahoma by promoting and conducting training and education through seminars, short courses and field demonstrations.

The 2018 Texas/Oklahoma Trenchless Technology Conference is a valuable educational networking opportunity for those involved in underground infrastructure work including public works officials, utility company personnel, oil/gas companies, engineers, underground contractors, industry suppliers and students.

Mark the date on your calendar and check XXX soon for further details!
